Dear Tenant

Re: Coronavirus (COVID-19)

As the impact of Covid-19 is being felt by everyone, we remain committed to delivering a housing management service to you.

You have an important role to play in preventing the spread of this virus and ensuring the health and safety of yourself and those around you including other tenants, visitors, support workers, as well as the wider public.

The Coronavirus presents a significant risk and as such you are required to comply with the government's advice, guidance and instructions to prevent the spread of infection.

You may only leave home for the following four reasons:

- Shopping for basic necessity
- One form of exercise a day
- Medical needs
- Travelling to and from work, only if absolutely necessary.

I must draw your attention to the section in your tenancy agreement entitled Health & Safety which states not to engage in conduct which is likely to endanger health or safety of any tenants or visitors. If you fail to adhere to the government's guidance this will be considered a breach of your tenancy agreement.

Please stay safe and look out for each other.

Yours sincerely

Shelley Hobbs
